About

Seeking American citizenship can put incredible strains on both the individuals returning to their country of origin as well as the families they leave behind. This group aims to provide a safe place for both the group leader and the individuals involved to share their unique experiences and knowledge with others. We discuss managing home, work, finances, and childcare while coping with separation from their loved one.

Register

Call (616) 456-1178 to register. **Groups begin when four or more individuals are registered.** There is no mandatory attendance, but participants are encouraged to commit to at least three sessions.

These sessions will be held at my office in Grand Rapids. Please call or visit the Fountain Hill Center website for detailed information on parking and directions. **The suggested contribution is \$10/session.**

Tacia Knoper

My mission is to help individuals and families face challenges in a safe and supportive environment – to not only tackle their current situation, but to gain the necessary tools to cope with future problems.

Tacia has been working with individuals and families going through the immigration process since 2010. Working in coordination with noted attorney, Ms. Marielo Puerta, she provides mental health assessments, immigration letters, referrals to additional resources and individual counseling.
